MANICHIGAN

In Los Angeles, Baldwin Hill Reservoir cracked, then broke releasing a torrent which wrecked hundreds of evacuated homes, but produced few casualties.

Sandy Koufax won two as the Los Angeles Dodgers beat the Yankees four straight for the world championship. At year's end, Koufax was named the league's Most Valuable Player. Right: James Whittaker of Redmond, Washington, became the first American to reach the top of Mt. Everest.

National Event

Quints were born in Aberdeen, S. D., and in Venezuela in the same week. Here two of the American quints pose for pictures before going home.

Lyndon B. Johnson of Texas took office immediately following President Kennedy's death and affirmed his intention of continuing the foreign and domestic policies of his predecessor.

Leaking gas exploded during the finale of an ice show in Indianapolis, killing and injuring many others.

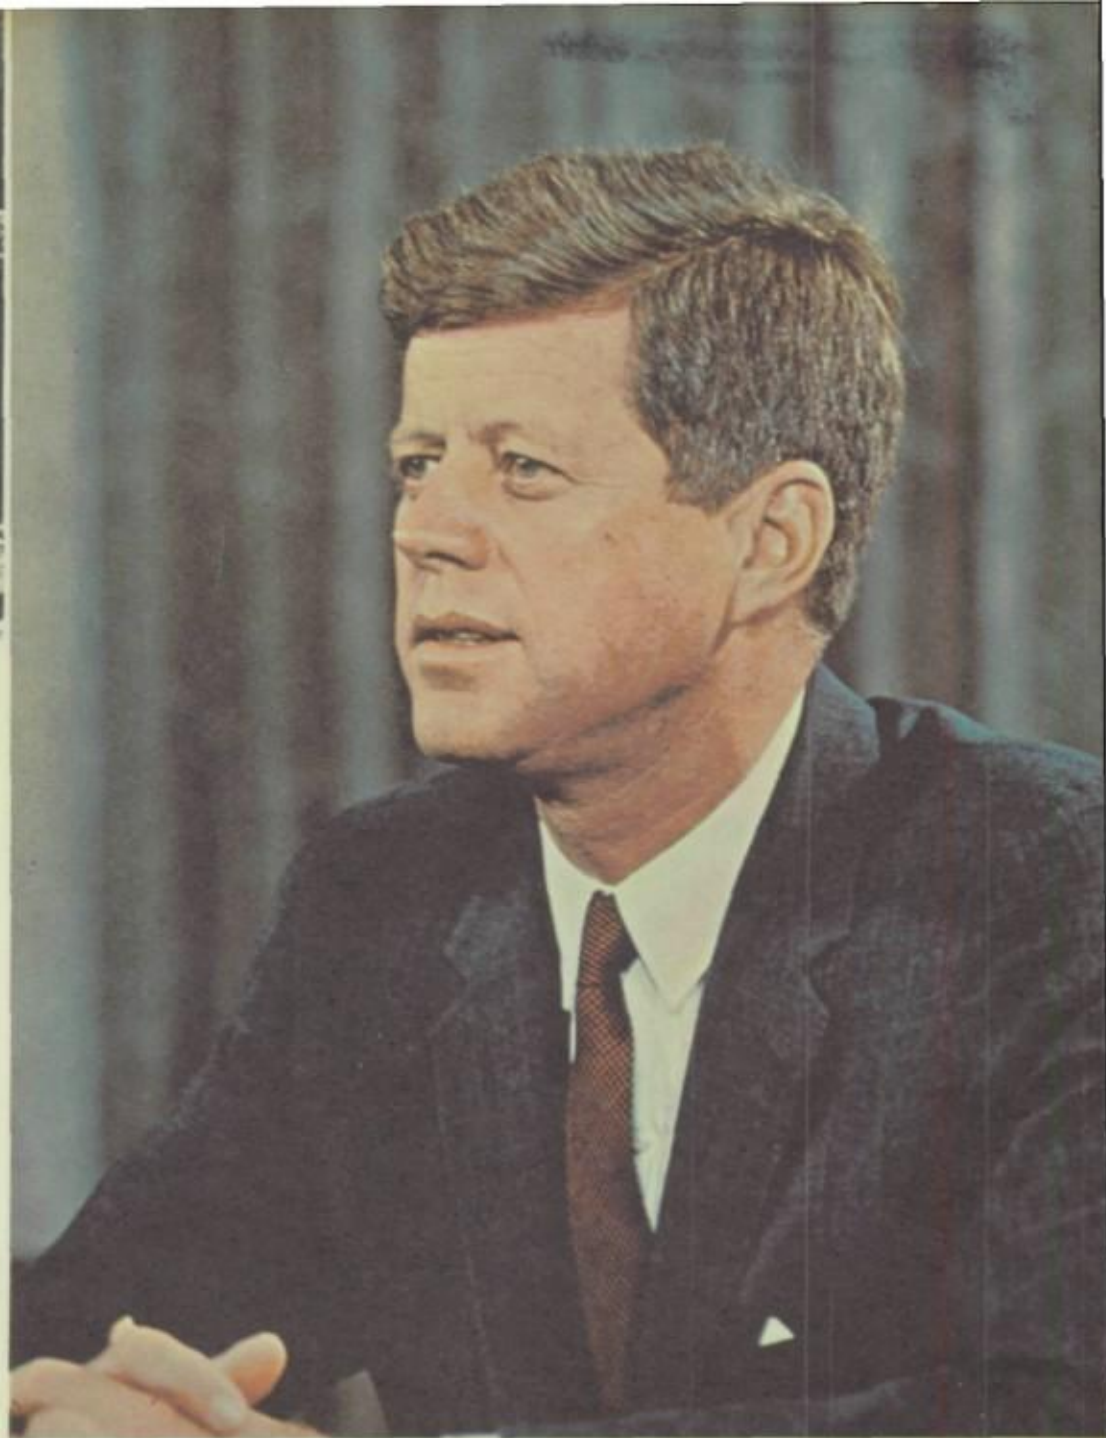

Ransomed for \$240,000, Frank Sinatra, Jr. returned home safely two days after being kidnaped and posed with his sister Tina, left, and his mother, Mrs. Nancy Sinatra.

Accused slayer of President Kennedy, Lee Oswald, was shot fatally before national TV audience. Right: Mrs. Jacqueline Kennedy, Caroline and John, Jr. leave Washington for Christmas in Florida.

in Review—1963

With the assassination of John F. Kennedy of Massachusetts, youngest president in U.S. history, the country lost a highly-regarded and remarkably capable statesman and administrator.

President DeGaulle of France, saluting, stands with German Chancellor Erhard, right, and President Lübke, as some heads of state gathered in tribute to the late President Kennedy.

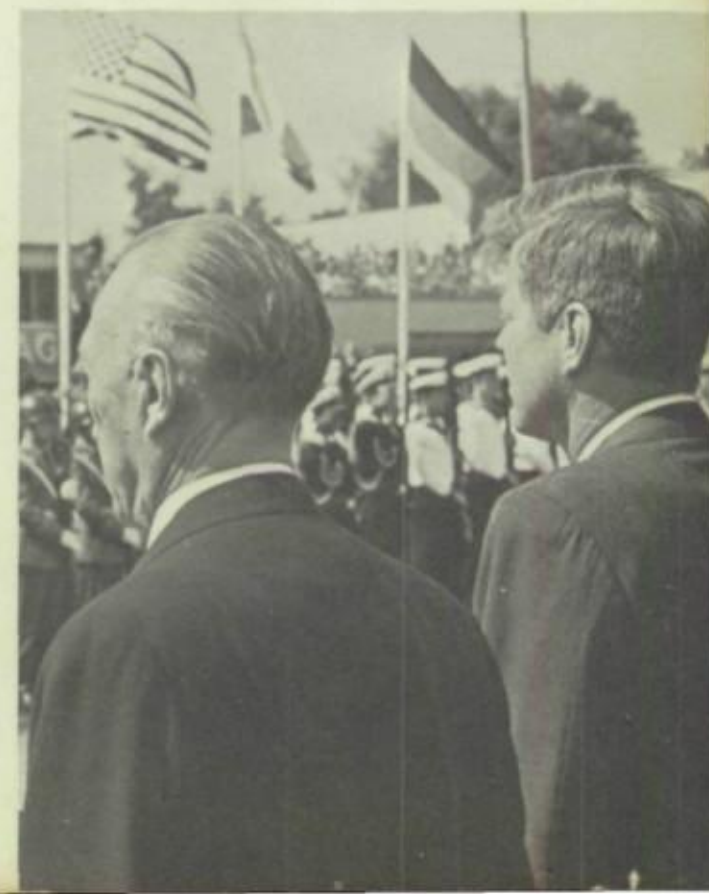

President Kennedy, and soon-to-be-retired, German Chancellor Adenauer met in Bonn during Kennedy's successful ten-day tour of Western Europe.

President Kennedy and then Vice-President Johnson (second from right) met with leaders of the August "March on Washington" dramatizing the nation's leading domestic issue in 1963.

Major Gordon Cooper received the Distinguished Service Medal from President Kennedy at the White House in May, following Cooper's 22 orbit flight and manually controlled re-entry.

More than anything else, Homecoming began "that" year for us. The election of queen, the bonfire, the game and finally, the dance, brought home to us the fact that that school year was off to a terrific start.

During that year, we students of M.H.S. have shown true Chippewa school spirit during our game, even if we were losing. This spirit was also found in the classrooms of our school. It appeared in our discussions, our assemblies and we felt and voiced our pride in M.H.S. and her students.

In both tears and happy yells, graduation ended that year for us. But now, so we shall not forget, the MANICHIGAN presents, that wonderful year . . . 1964.

ORGANIZATION AND EFFICIENCY

Mr. Radtke, Supt. of Schools

Mr. Brennan, Assistant Supt.

Mr. Lippert, MHS principal

Almost directly responsible for our smoothly running school system is the administration of Manistee High School. The persons who compose our administration make us, the students, their job. It is their leadership that keeps us on the right road concerning our educational and vocational future. Mr. Lippert, Mr. Radtke, Mr. Brennan, and the School Board are those responsible for enforcing rules and regulations and keeping our system in fine running order. We can always be sure that this capable group of people can always be counted upon to understand any problems the student body may possess.

Last but not least are two women who deserve special appreciation for serving as secretaries to our school system. Miss Pluter serves as the secretary to Mr. Lippert and Mrs. Jolly as Mr. Radtke's secretary.

What kept Manistee High buzzing during that wonderful year? The answer, of course, is the faculty. Mr. Lippert and his able staff work in many areas to improve the school.

The teachers, as well as the students, give their time to M.H.S. clubs, for each

school activity is sponsored by a faculty member. Besides instructing and assisting the student body at M.H.S., the teachers spend many hours at teachers meetings and the M.E.A. Institutes to improve their teaching.

DOING THEIR BEST TO

Our bus drivers are left to right; Rev. Benson, Mr. Dugas, Rev. Stiles, Mr. Marcoux, and Mr. Jensen.

Mr. Monroe, Mr. Christianson, Mr. Langworthy, and Ken Monroe, (missing) are our custodians.

Mrs. Callan is always glad to help a student.

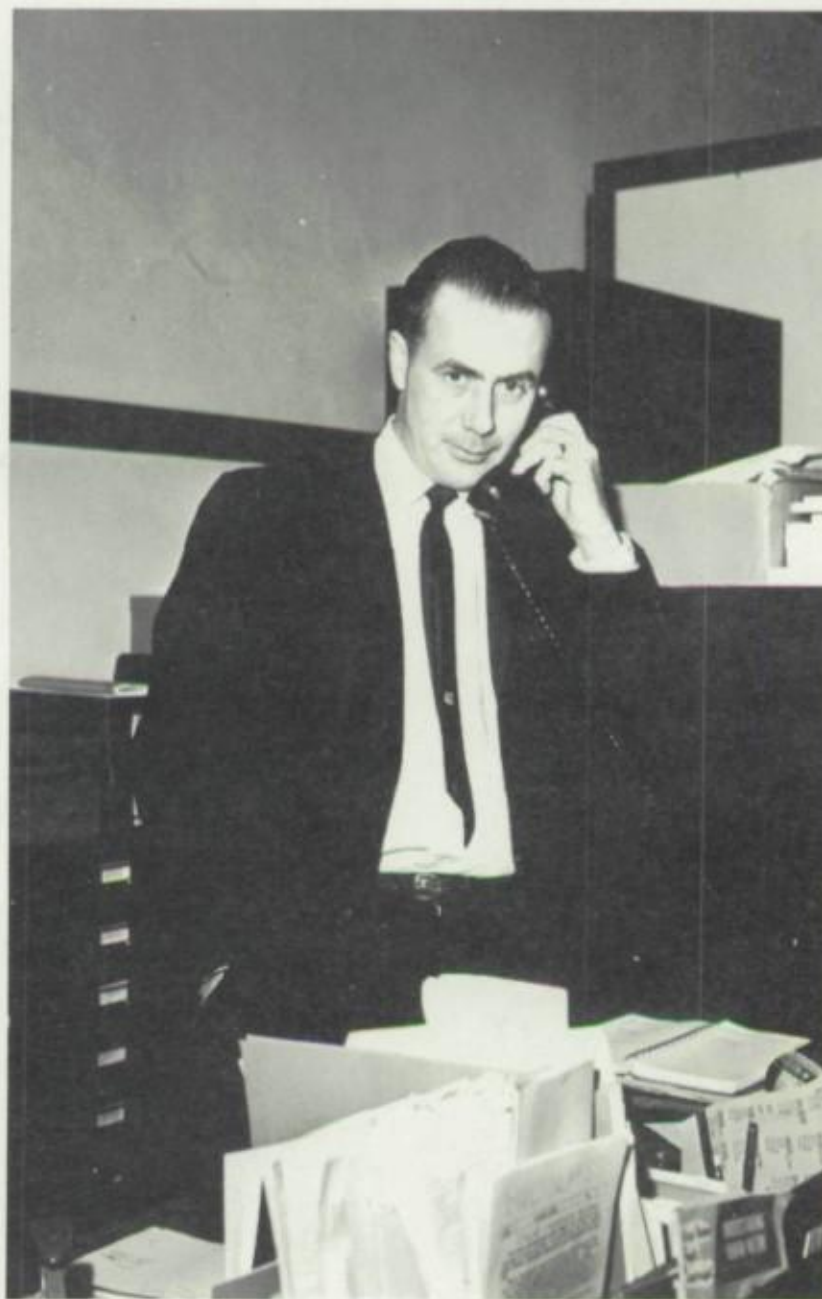

Mrs. Cedarholm is the cook who prepares all those wonderful noon meals.

SERVE THE STUDENTS OF M.H.S.

The normal operation of Manistee High School rests on many competent and dedicated individuals. Among those who should receive special recognition for their work in this respect are the nurse, cook, attendance office worker, bus drivers, and custodians. Our nurse, Mrs. Callan, represents aid and comfort to many students who have sought her help. Besides acting as nurse for MHS'ers she travels to a number of other city schools. Hers is a very important and busy job. Certainly many of us would go hungry if it wasn't for Mrs. Cedarholm, our cook. Starting early in the morning she almost singlehandedly prepares noon lunches for a large number of our students and faculty. If it wasn't for our custodial staff most of us would be cold in winter, warm in hot weather and would probably be wading around over dirt and paper filled floors. To the bus drivers we also owe special credit. If it wasn't for them MHS would be a pretty empty place as many students depend upon them for their rides to and from school. Handing out the attendance slips this year was someone new to the MHS scene. This, as most MHS'ers are well aware of is Mrs. Bowes, who does a great job. To all, the Manistee High School offers a great big--thanks!

The second floor, second home of Guidance Director Herman L. Stephens has certainly been a busy place this year especially because of the more than 800 students. Mr. Stephens responsibility is to guide us, the student body, individually to our most important goals. He also served as the Freshman counselor this year along with Mrs. Jacobsen--sophomores, Mr. Hargreaves--juniors, and Mrs. Capper--Seniors. The entire body has benefited by their skillful and knowledgeable guidance. To the Guidance Dept. the 1964 Manichigan says Thank you for guiding us so well thru "that wonderful year."

Director Stephens undoubtedly holds one of the most important jobs in our school.

Mrs. Bowes is completing her first year in the Attendance office this year.

SOCIAL STUDIES IMPORTANT TO EVERYDAY LIFE

The friend of the seniors, Mr. Apsey, helps a student in 2nd hour Civics.

Mr. Pieczynski helps Sue Cooper with her U.S. History assignment.

Mr. Foust, history teacher, explains the United States growth of population by use of a map

In this age of constant communication with the entire world, it is necessary for the student of today to be well-informed. M.H.S. tries to fill this need through its Social Studies Department.

While the seniors are learning in Civics how to run the government, the juniors are being taught in U.S. History how our nation began and grew. In the World History classes, students learn how the world situation of today developed and how it affects them.

In all the Social Studies Courses, the students discuss current events and watch history in the making.

STUDENTS GAIN USEFUL KNOWLEDGE FROM DOMESTIC COURSES

Miss Woldridge, Home Economics teacher helps a number of girls with their knitting.

Hard and neat work is required of all mechanical drawing students.

Many boys take metal shop to acquire a practical skill.

If a student would like to learn how to sew her own clothes or to cook a tasty and nutritious meal, M.H.S. has several elective courses just for her. Year after year, our Home Economics courses turn out many fine chefs and seamstresses who will always be able to use their new skills.

Metalwork, carpentry, printing, and draftsmanship are all subjects a student can take in the Industrial Arts courses. Most of the students will use the fundamentals they learned in these subjects in their future occupations.

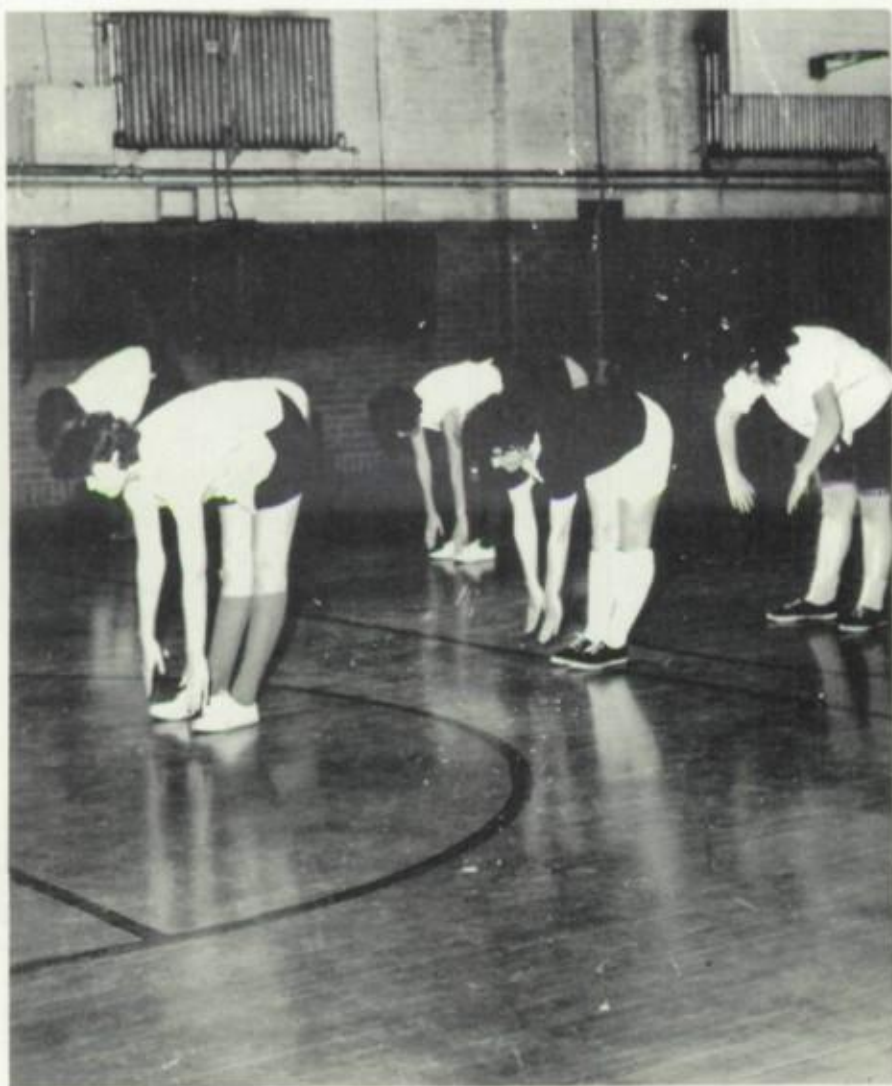

BAND, GYM AND CHOIR ADD VARIETY TO SCHOOL LIFE

Stagger can prove to be both worthwhile and entertaining.

Choir meets every sixth hour in the auditorium.

President Kennedy's physical fitness program is stressed in gym.

A refreshing break enters a student's schedule when he belongs to band or choir or is taking gym. The student can forget for an hour the problems of the classroom as he enjoys himself musically and physically.

The band and choir of M.H.S. put on many activities during the year -- halftime shows, a Christmas Concert, a Band Bounce, and an opperetta -- all which succeed in diverting the students' minds.

Gym is a required subject for all freshman and sophomore boys and girls. This class always manages to give them opportunity to use up their extra energy.

BUSINESS COURSES OFFER PRACTICAL EXPERIENCE

These girls discover how much business courses mean to them as they help Miss Pluter in the office.

Typing can be fun, but also hectic at times, as Steve Stephens will verify.

The business students of M.H.S. enjoy a number of varied courses. They can learn everything from typing "asdf" to multiplying and dividing with a comptometer.

One way to finish an assignment more quickly is to type it out--thus, you will see many M.H.S. students pounding away at typewriters from first to sixth hour. Students also take shorthand, both for the experience it will give in future life and to ease up on writing cramps during a note-taking session.

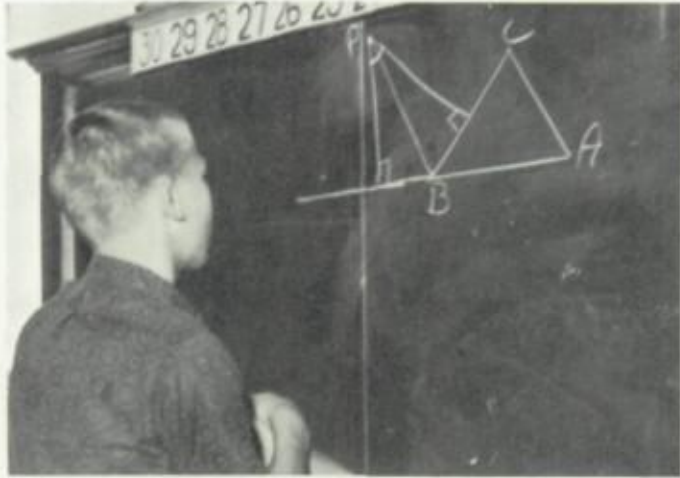

Other courses offered are bookkeeping, office machines, commercial arithmetic and commercial law.

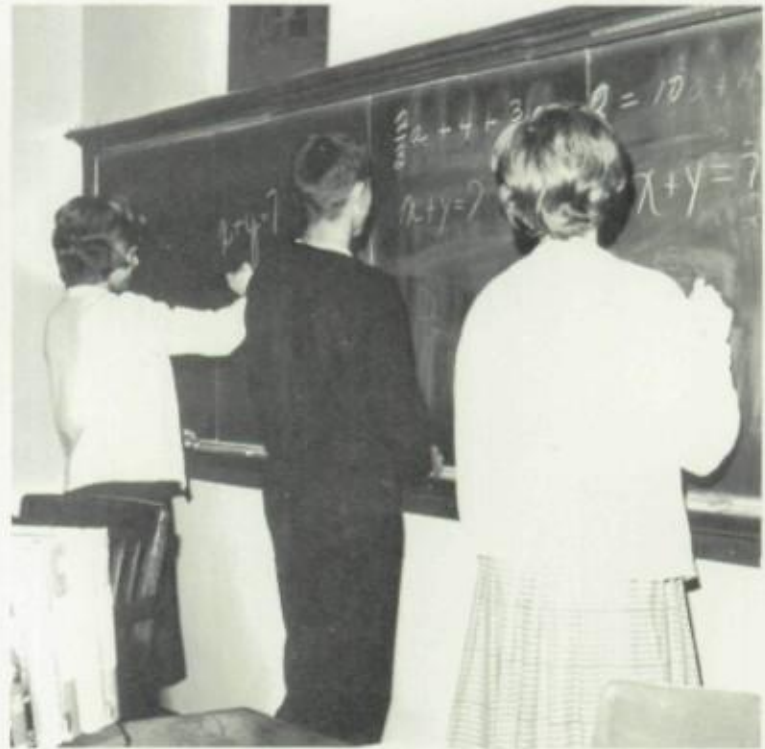

Students in bookkeeping class pay close attention to Mr. Brastrom as he explains the importance of the six-column work sheet.

MATH AND SCIENCE ARE OF GREAT VALUE

A perplexing problem faces John Anderson as he tries to find which angles are equal.

"Let's see, x and y equal 7 so, hmmm."

Mr. Buzzel explains a certain biological structure to his students.

"If that's what you think, it must be right, Mr. Hegler," says Dick Jeruzal.

Whether a student decides to be an artillery man in the army or to become a biochemist, he is going to need math, science, or both. Gone are the days when all the math you needed was enough to figure if your pay check was correct, or when knowing even a little science was not necessary.

At M.H.S. students can choose from eleven courses concerned with either math or science. The most popular of these are Biology, Chemistry, Algebra I and Geometry.

LANGUAGES YIELD CULTURAL APPRECIATION

The languages offered, of which Latin is one, provide a challenge in interest and information to the modern student.

English is required of all students in 8th thru 11th grade.

By the use of a tape recorder and records, French becomes a more interesting language to students.

Today, our language classes no longer teach only language and grammar. Students now learn the history, literature, dress and even the food of the country whose language they are studying.

Students of M.H.S. enjoy Latin and French as the foreign languages offered. These same students also go through three years of required and one year of elective English courses. For these courses they study American and English literature, write themes, dip-up forgotten grammar and learn how to use the library correctly.

Included in the Language Department is a fine public speaking course.

More students made for crowded rooms at Manistee High in 1963-1964, but more students also meant a great deal more fun and frolic. So it makes us proud to recall that wonderful year of . . .

Denny Dust thinks of that future commencement date as he is measured for his cap and gown.

Roberto Silveira

A newcomer to MHS during the second semester was Roberto (Bob) Silveira. Bob makes his home in Rio De Janeiro, Brazil with his parents, but this year he decided to come and visit Manistee. Bob says he plans to go to college here in Michigan.

We were pleased to have Bob at M.H.S. for a half year and we hope he enjoyed being with us.

CLASS HISTORY

The fall of 1960 began four years of enjoyment mixed with some hard work for 168 young eager freshmen. For our first real year of high school, we elected Jim Ogilvie to lead us as president with Gary McDougall, vice-president; Margo Numelin, secretary; and Carol Biedermann, treasurer. To represent us on the Student Council we chose Mary Bultema, Judy Sheras and Bob Manthei. When Homecoming rolled around, the freshman contribution, Mary Beth Bultema, certainly gave to the beauty of the occasion. There to guide us through this first trying year were Mrs. Dickey and Mr. Stephens.

When we were sophomores, the high feature of the year was the receiving of our class rings, thus giving us the secret feeling at last of being official members of the mighty Manistee High. Our president was Dan Doleys, and we selected Sheryl Scranton as vice-president, Ruth Stimers as secretary, and Sheryl Bradley as treasurer. On the Student Council we had Margo Numelin, Mary Beth Bultema, Dave Charney, and Dan Doleys. Jane Anderson was radiant as the sophomore Homecoming representative. Mr. Capper and Mr. Brastrom took over our class as advisors and were a great help in dealing with any problems we might have had.

When we returned to school entering our Junior year, we realized that our high school career was already half over. It was then that we decided to make these last two years really tremendous. We started off at class elections where we chose Dennis Dust to head us with Chuck Hutson taking vice-president; Sheryl

Bradley, secretary; and Carol Biedermann as treasurer. At Student Council meetings the juniors Carol Clohset, Margo Numelin, Dan Doleys and Dave Charney could be seen. Kathy Kruse's presence on the Queen's Court added to the beauty of Homecoming. Again Mr. Capper and Mr. Brastrom were our class advisors and were a grand help in our preparation of our fabulous J-Hop, "Enchanted Evening" which is exactly what the night was. We shall never forget all that went into this beautiful affair.

All of a sudden we were Seniors. It seemed to go so fast, those last three years. But we were still determined to go out in style. The best class naturally had to have the best officers and ours were Bob Krusniak, president; Colleen Haynes, vice-president; Linda Thorson, secretary; and Margo Numelin, treasurer. Judy Sheras reigned graciously over Homecoming festivities, which included her special dance, "Sweet '64." Mary Beth Bultema was a fitting representative for the Queen's Attendants. Rupert Stephens served as president of the Student Council with Dennis Dust vice-president, and Carol Clohset as secretary. Other Senior members were Thana King and Jim Hansen. We were a class of first-timers. Our J-Hop was the first to be held at the Armory and will certainly not be the last. Plus that we are the first senior class to take our Skip Trip via airplane. We have spent our four years very quickly and never shall forget any of them. As Baccalaureate, commencement exercises, and the Senior Prom draw near, we wonder how anyone of us could look forward to finishing all of it.

A correct answer brings a smile (of surprise) to Mr. Archibald's face.

Junior Susie Wojciechowski intently thinks about what she's reading.

The election of Marc Fenton, President; Dave Yankee, Vice-President; Arlene Roskoski, Secretary; and Jane Zientek, Treasurer, opened the 1963-1964 year for the Junior Class. Our Student Council representatives were Chris Raatz, Alan Smith, Lorraine Nowak, and Jim Winters. The class of '65 showed its originality by having their float, "Sugar Shack" take first prize in the Homecoming Parade. In the Queen's Court we elected Barb Bultema to represent us. With the many festivities throughout the year the junior class ended their's by having the annual J-Hop which will be remembered by all of us as the most beautiful night in the year of 1964.

Bottoms Up!

The Sophomore class elected the following for their leaders John Jouppi, President; Roger Greve, Vice-President; Ann Swanson, Secretary; and Jane Wishka, Treasurer. As Student Council Representatives, they chose Rosanne Fiffarek, Gary Gielczyk, Jim Paul and Kris Gamache. The Homecoming representative was Vicki Jenks.

Ordering their class rings, turned sophomores' thoughts to their coming two years and that seemingly far off day of graduation.

Their advisors were Miss Wooldridge and Mr. Palarski.

A radiant Terrie Hansen represented the Freshmen during the Homecoming festivities. Above, she rides in a convertible with the tenth grade representative, Vicki Jenks.

Officially entering high school, the Freshman class elected to lead them for the year the following officers: Gary Schrader, President; Steve O'Rourke, Vice President; Faye Backie, Secretary; and Geoffrey Nunn, Treasurer. As Student Council representatives, they chose John Bultema, Jim Crego, Dorothy Callan and Everyl Yankee. Terri Hansen represented the class by being a member of the queen's court.

Mrs. Erdman helps an eighth grade student with one of his problems.

Entering Manistee High School for the first time the eighth grade, with their advisors, Mrs. Erdman and Mr. Bedingham, elected as their officers: Steve Wagner, President; Bob Ham, Vice-President; Colleen Wishka, Secretary; and Marilyn Greve, Treasurer. As Student Council representatives they elected Andrea Dlesk, Susie Jouppi, Harvey Larson, and Phillip Gielczyk.

They had a Christmas party as their Christmas assembly and their class party early in June.

Look Mom, No hands!

Who doesn't remember the bonfire, the homecoming day, and the many dances we had, sponsored by our worthy clubs. So as in all years before, Manistee High School students were very busy in that wonderful year of . . .

A C T I V I T I E S

Above, Amy Stroemel, Co-editor; Sue Houser, Editor; and Mr. Brastrom, Advisor.

The Manichigan Staff started off by deciding to use as their theme "the wonderful year of '64."

With the two editors Sue Houser, Editor and Amy Stroemel, Co-Editor, these two girls worked long hours to meet many deadlines.

With the suggestions of Phyllis Kolb and Robyn Kruse, two girls who had gone to the M.S.U. Communication Arts Institute, with Sue and Mr. Brastrom the Manichigan turned out to be what we all hope to be a successful book.

Although handicapped at the beginning of the year by a printing machine that would not print, the hard working Chippewa Herald staff, encouraged by their ambitious editor, Carol Biedermann managed to turn out a fair amount of papers.

More information on how a newspaper should be printed was gained at Journalism Day which was held in Traverse City. Chippewa Herald representatives included Jerre Johnson, Cathy Galloway, Faye Mucha, and Dorine Brye.

Appreciation for this "speaking voice" of MHS was shown by the tremendous sales of this voluntarily printed paper.

Chippewa Herald officers were: Jerre Johnson, Ad Manager; Mr. Archibald, Advisor; Carol Biedermann, Editor; Steve Rison, Sports Editor; Judy Sheras, Business Manager; and Mary Rosenow, Co-editor. Absent, Mary Beth Bultema, Feature Editor.

HOMECOMING, A DAY TO REMEMBER

The bonfire on Thursday night began Homecoming activities on a cheerful note.

Below, Jon Hokanson and Bob Duschinske attempt to catch the ball while the Panthers attempt to prevent them.

On Thursday, October 4, the homecoming festivities at Manistee High got underway with the annual Bonfire which kindled our "beat Alma" spirit to a high pitch. In the parade the next afternoon the Junior class took first place prize with their "Sugar Shack." The Student Council took second place and the Drama Club and Choir tied for third place. At the game that night our Chips unleashed the fury which proves them the swell team they are, by whipping the highly rated Alma team. Preceding Judy Sheras across the field at halftime were Terri Hansen, Vicki Jenks, Barbara Bultema and Mary Beth Bultema, the members of her court. Queen Judy was crowned by Anna Peterson, the Homecoming Queen of 1962. After the game, students and alumni danced in our gaily decorated gym.

The game begins when the Chips rush through the Indian Head.

Queen Judy Sheras was escorted across the field by Student Council president, Steve Stephens.

The Drama Club float took a third place prize along with the Choir.

BAND—AN EXPRESSION THROUGH MUSIC

The Manistee High School Band under the baton of Paul Cramer again brought fame and glory to Ol' M.H.S. with their continued excellent marching and concert performance. This year the teenage musicians made a hit with their numerous public and student assemble programs.

Highlighting the year, the band entered the District Festival and qualified for the State Band Festival.

Their able maestro, Mr. Paul Cramer, is completing his fifth year here and in that period the M.H.S. Band has shown astounding growth and development. Band hats off to Paul Cramer!

The Pep Band devotes a lot of extra time and spirit performing for the student body.

PEP BAND IMPORTANT TO SCHOOL'S MORALE

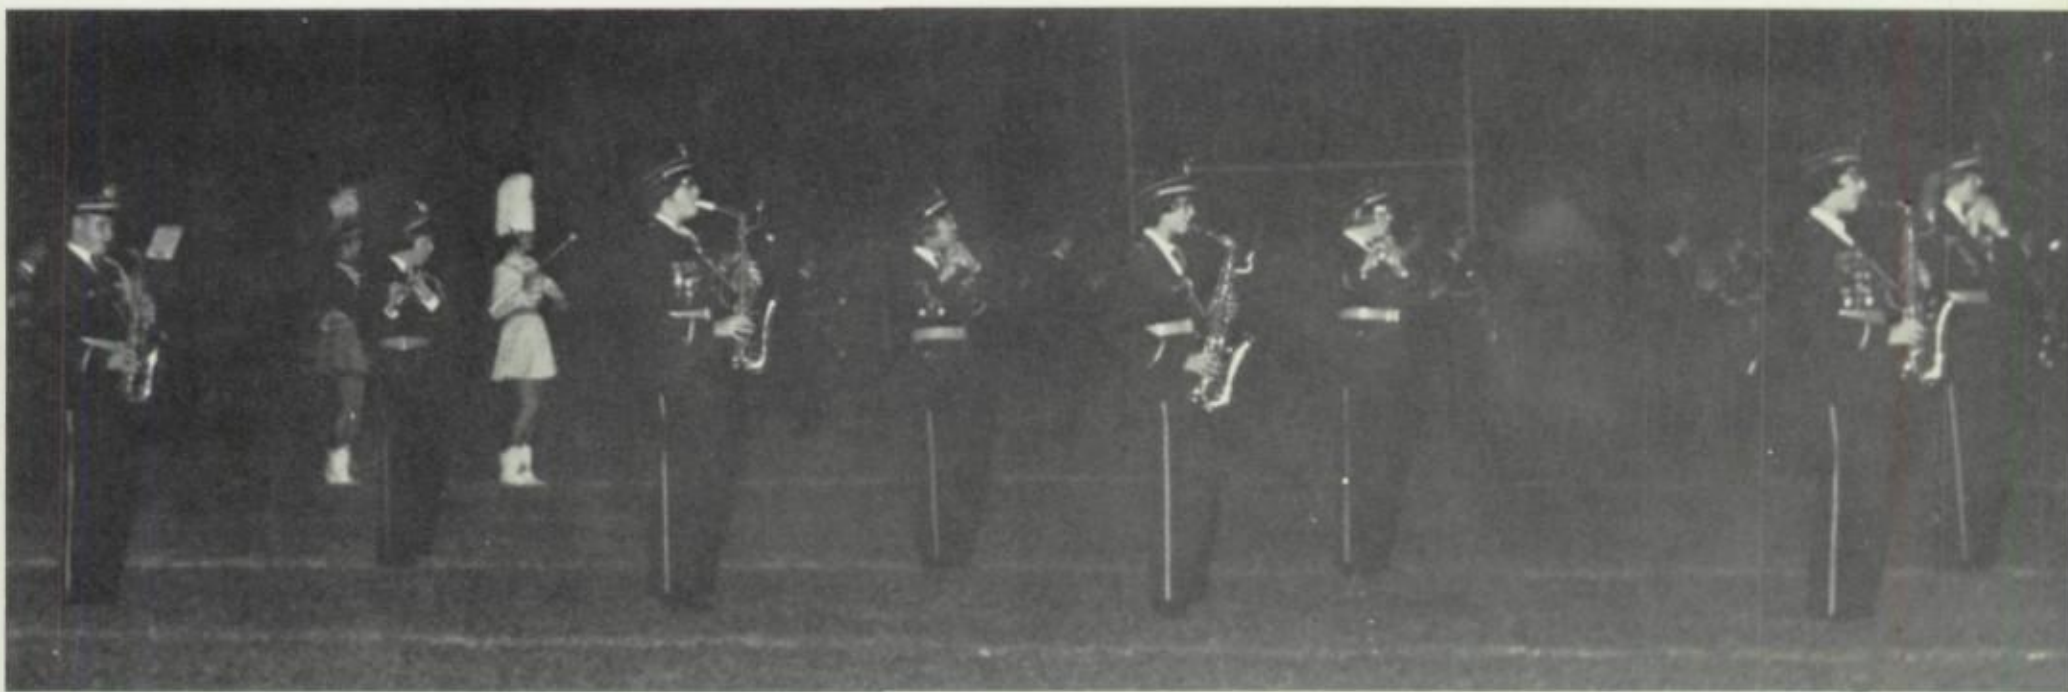

The pep band consists of a portion of the regular band membership. Pep band members play at all pep assemblies and basketball games. With their lively music they help to instill some of their pep and spirit into the hearts of MHS students and the teams.

Preparation for District and State Solo and Ensemble Festivals requires a large portion of the band student's time.

MHS band majorettes during the 1963 football season were Susie Feagins, Chris Gunderson, and Patty Johnston. Also Mary Ann Anderson, absent.

The MHS marching band practices many cold mornings to present the football fans with a superb half-time show.

POW WOW AND BOOK WORMS SERVE STUDENTS

Above, Pow Wow members are engaged in one of their bi-monthly meetings.

Pow Wow officers are: Linda Thorsen, Secretary; Cora Bond, President; Margo Numelin, Vice-President; and advisor, Mrs. Ogilvie, absent, Chis Behm, Treasurer.

The Pow Wow club of MHS was originally organized as a pep club. Its main goal is to instill pep for all our sports activities. The members are responsible for keeping the trophy case in order. They also raise money annually for the athletic department. The girls usher at all home football games, and they are in charge of the sale of reserved seats. In addition to this they have sold such things as pennants, shakers, and carnations to promote school spirit. Each spring five sophomores and five juniors are chosen to the membership for the following year.

The Bookworms of MHS perform various duties in helping to make our library a better place in which to study and learn. These girls check books and keep track of overdue fines. As Mrs. Hough says, "I don't know what we'd do without these girls."

The 1963-64 Bookworms are: L. Barnett, J. Johnson, P. Miller, K. Pefley, M. Krajkiewicz, M. Gerlach, P. Krajkiewicz, A. Froncek.

tional guidance. MHS was represented by Tom Voigts, Dan Doleys, and Robby Nunn at Boys' State and by Sue Houser at Girls' State.

OPPORTUNITY TO ATTEND LEGISLATURE

Hi-Y officers this past year were, left to right; Rob Nunn, Chaplain, Mr. Strouf, Advisor; Dave Charney, President; Jim Hanson, Treasurer; Dave Bradshaw, Secretary; and Chuck Hutson, Vice-President.

This year the Hi-Y was under the leadership of Dave Charney, President; Chuck Hutson, Vice-President; Dave Bradshaw, Secretary; Jim Hanson, Treasurer; Rob Nunn, Chaplain. The new members were installed in a formal ceremony, but before they could be installed they all had to make wood paddles. At Christmas time the Hi-Y participated in ringing the bell downtown for the Salvation Army.

The Hi-Y also had a very worthwhile experience in learning about the Michigan Legislature. In December six boys were chosen to go to Legislature and present this year's bill, which was signed by the student Governor.

Attending Youth Legislature this year were Don Wahr, Jon Lippert, Dave Yankee, Al Smith, Rob Nunn, and Anders Malmberg.

Hi-Y meets every first and third Tuesday of the week under the guidance of Mr. Donald Strouf.

EXTENDED TO HI-Y AND TRI-HI-Y

Mrs. Thelma Capper has been the Tri-Hi-Y advisor for fifteen years.

Tri-Hi-Y met every first and third Tuesday of the month.

Left to right: Linda Thorson, Sgt.-at-Arms, Amy Stroemel, Historian; Katie Callan, Vice Pres.; Margo Numelin, Treas.; Carol Biedermann, President; Sue Houser, Secretary; and Thana King, Chaplain.

Tri-Hi-Y has long been one of the most active organizations here at Manistee High. This year was no exception! Headed by the untiring efforts of Mrs. Holland Capper, the club's advisor and President Carol Biedermann, Tri-Hi-Y began their year with the formal initiation of new members. Throughout the year, the Tri-Hi-Y has participated in many service projects, such as taking part in drives for contributions to the Orphans Fund, Exchange Student Fund and the March of Dimes. Tri-Hi-Y also sponsors the annual Twirp Week dance which is held in the early spring.

One of the highlights of the year is the club's participation in Pre-Legislature and Legislature, which is held at the state capitol in Lansing. This year, the club was fortunate enough to be represented by nine girls. Tri-Hi-Y is also well represented on the State Hi-Y Council and at the Hi-Y Congress.

TO SERVE AND IMPROVE MHS

A very successful fall project of the Student Council, under President Rupert Stephens, was homecoming. Dennis Dust was Vice President; Carol Clohset, Secretary; and Chris Raatz, Treasurer. All in all the council had another fine year and served the student body with a great deal of time and energy.

The hall monitor system went into effect again this year and many and varied assemblies were sponsored by the Student Council. The club donated a large sum of money to both the Foreign Exchange Fund and the Orphan Adoption Fund. A great deal of credit is due these hard-working members who did so much to create "that wonderful year."

This assembly kept the whole audience spellbound through its performance.

Below, the six girls who went overseas during the summer give a brief speech on the impressions they received.

This year the choir has been extra busy with the selling of "Choir Day" tags. Fortunately through the hard-working efforts of the choir, they were able to raise enough money to buy new choir robes. Their first appearance in their new robes

was at the Christmas Concert. It was unquestionably one of the choirs' finest performances.

On April 11th the choir attended the annual Choir Festival, this year at Petoskey.

We are all very proud of our high school choir and wish the members continued success.

Jets Club officers for '63-'64 were Dave Yankee, vice president; Mary Glocheski, Secretary, Lorraine Nowak, treasurer, and Edward Pluter, President.

SCIENCE AND YOUTH MAKE

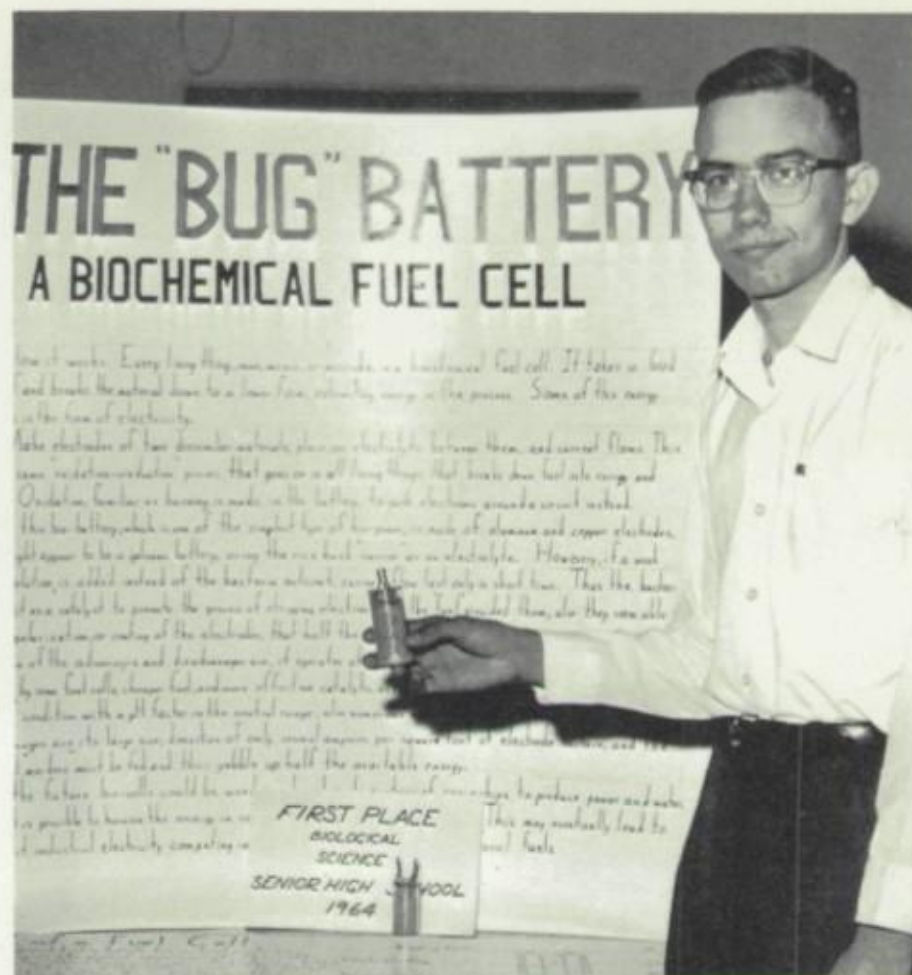

Jets members enjoy a special meeting for which they had a guest speaker.

JETS, the Junior Engineers Technical Society, was organized in 1954 at Michigan State University. It is comprised of sophomores, juniors, and seniors who are interested in mathematics and science and retain a "C" or better average in mathematics.

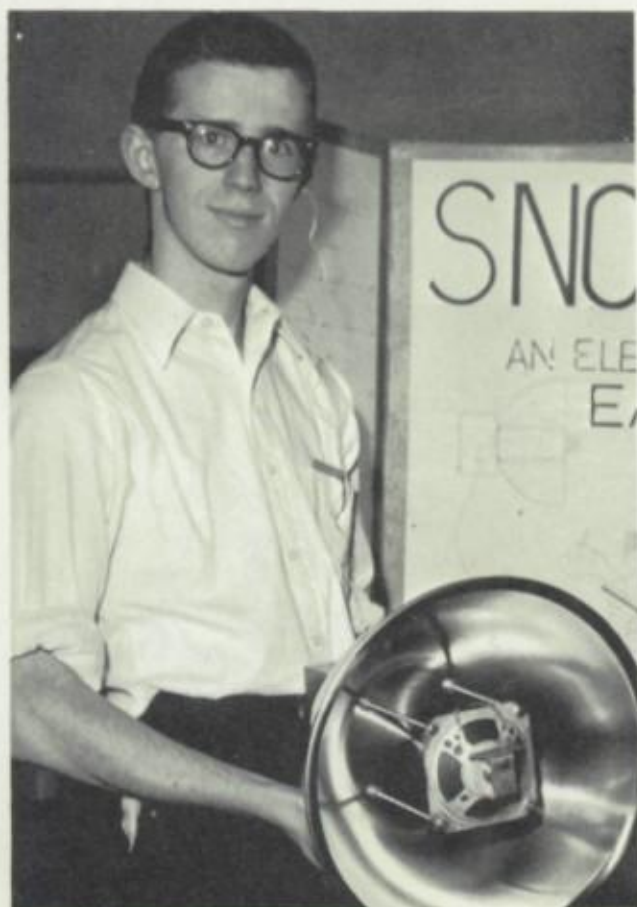

At their meetings, which are held every other Thursday, the JETS enjoy such programs as lectures by professional men and movies on various scientific topics.

Each year our loyal societies main project is the sponsoring of the annual Science Fair. This year's Fair was held at the Jefferson School gym on March 6 and 7. Exhibits came from all schools in the Manistee School District and are entered on a voluntary basis. These entries are judged in four divisions based on age and grade. Later in March, all of the winning exhibits at the District Fairs in northwestern lower Michigan were taken to Traverse City for the Regional Fair.

Edward Pluter was first place division winner in the biological science class.

CADET TEACHING PROGRAM VERY WORTHWHILE

The Future Teachers of America Club is only in its second year of existence at Manistee High School. The club is under the able leadership of Mrs. Ogilvie.

The opportunity of presenting students with the teaching profession and provide them with a practical view regarding it is the prime purpose of this organization. One very good way of doing just that is the cadet teaching program which was set up last year. During study hall periods interested Juniors and Seniors go to the Jefferson School and give individual attention to pupils under the regular elementary teacher's supervision.

LEAD MHS CLUBS IN ORPHAN ADOPTION

Mr. Buzzell was the advisor for the Presidents Club.

A new organization, the Presidents' Club was started this school year. The club consists of all club and class presidents.

To help their clubs avoid conflicting interests, aid the Student Council, and promote various major school projects, is the purpose of the organization.

One of the main undertakings of the club was the adoption of an orphan. Through their club donations, the Presidents Club was able to raise the required \$120.00 necessary to adopt an orphan.

Above, the club is discussing the plans of adopting an orphan for Manistee High School.

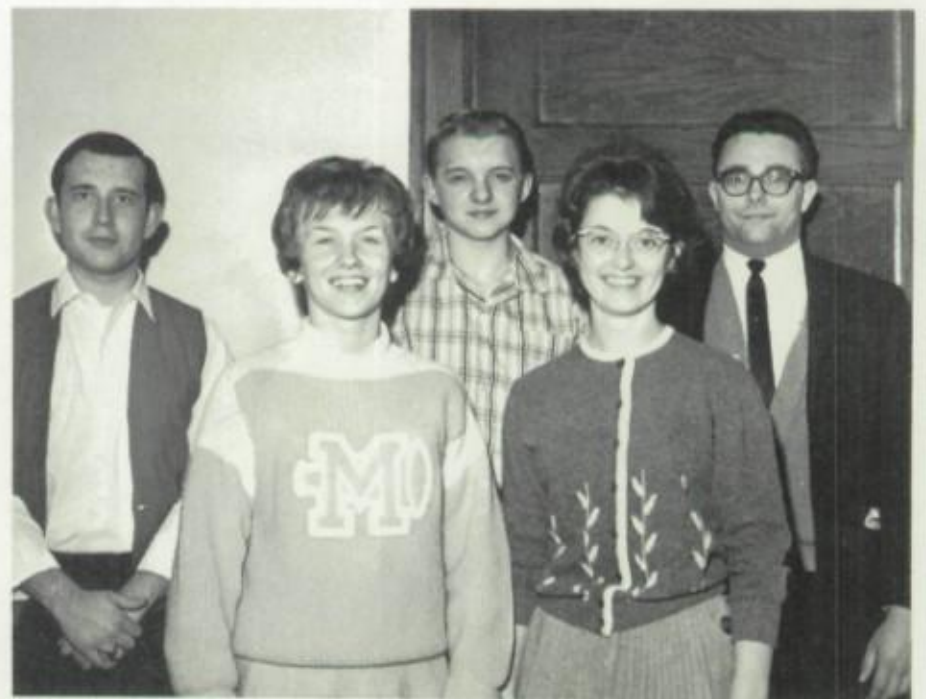

Above, a very worthwhile unit, a language console is being installed for the French classes of MHS.

YOUTH FOR CHRIST IN ITS FIFTH YEAR

After five years as an organized club in MHS, Youth for Christ has become a respected and permanent club. It was formed by interested teenagers with the help and cooperation of area directors and school leaders.

Among the activities, they have a quiz team in each club in the district. At their bi-weekly rallies, the teams compete. The rallies are held in Ludington or Manistee respectively. Youth for Christ has been very active locally this past year under Mr. Larry Morlen, the new Area Director for the Ludington-Manistee District.

Their sponsor this past year was Mr. Kirk Chandler, one of our new teachers.

MEMBERSHIP INCREASED BY 25

The Manistee Chapter of the National Honor Society was chartered in 1937, the 1,907th granted by the national organization. The Society gives recognition to outstanding students on the basis of scholarship and membership in the society and is one of the highest scholastic honors a high school student can receive.

This year as always, 5% of the Junior class and 10% of the Senior class were welcomed in as members of the society at the assembly on March 11.

Later in the year the members of the society were honored at a banquet given by the Kiwanis Club at the Chippewa Hotel.

ENJOY NEW WAYS OF LIFE

Anders Malmberg

Helga Wohllebe

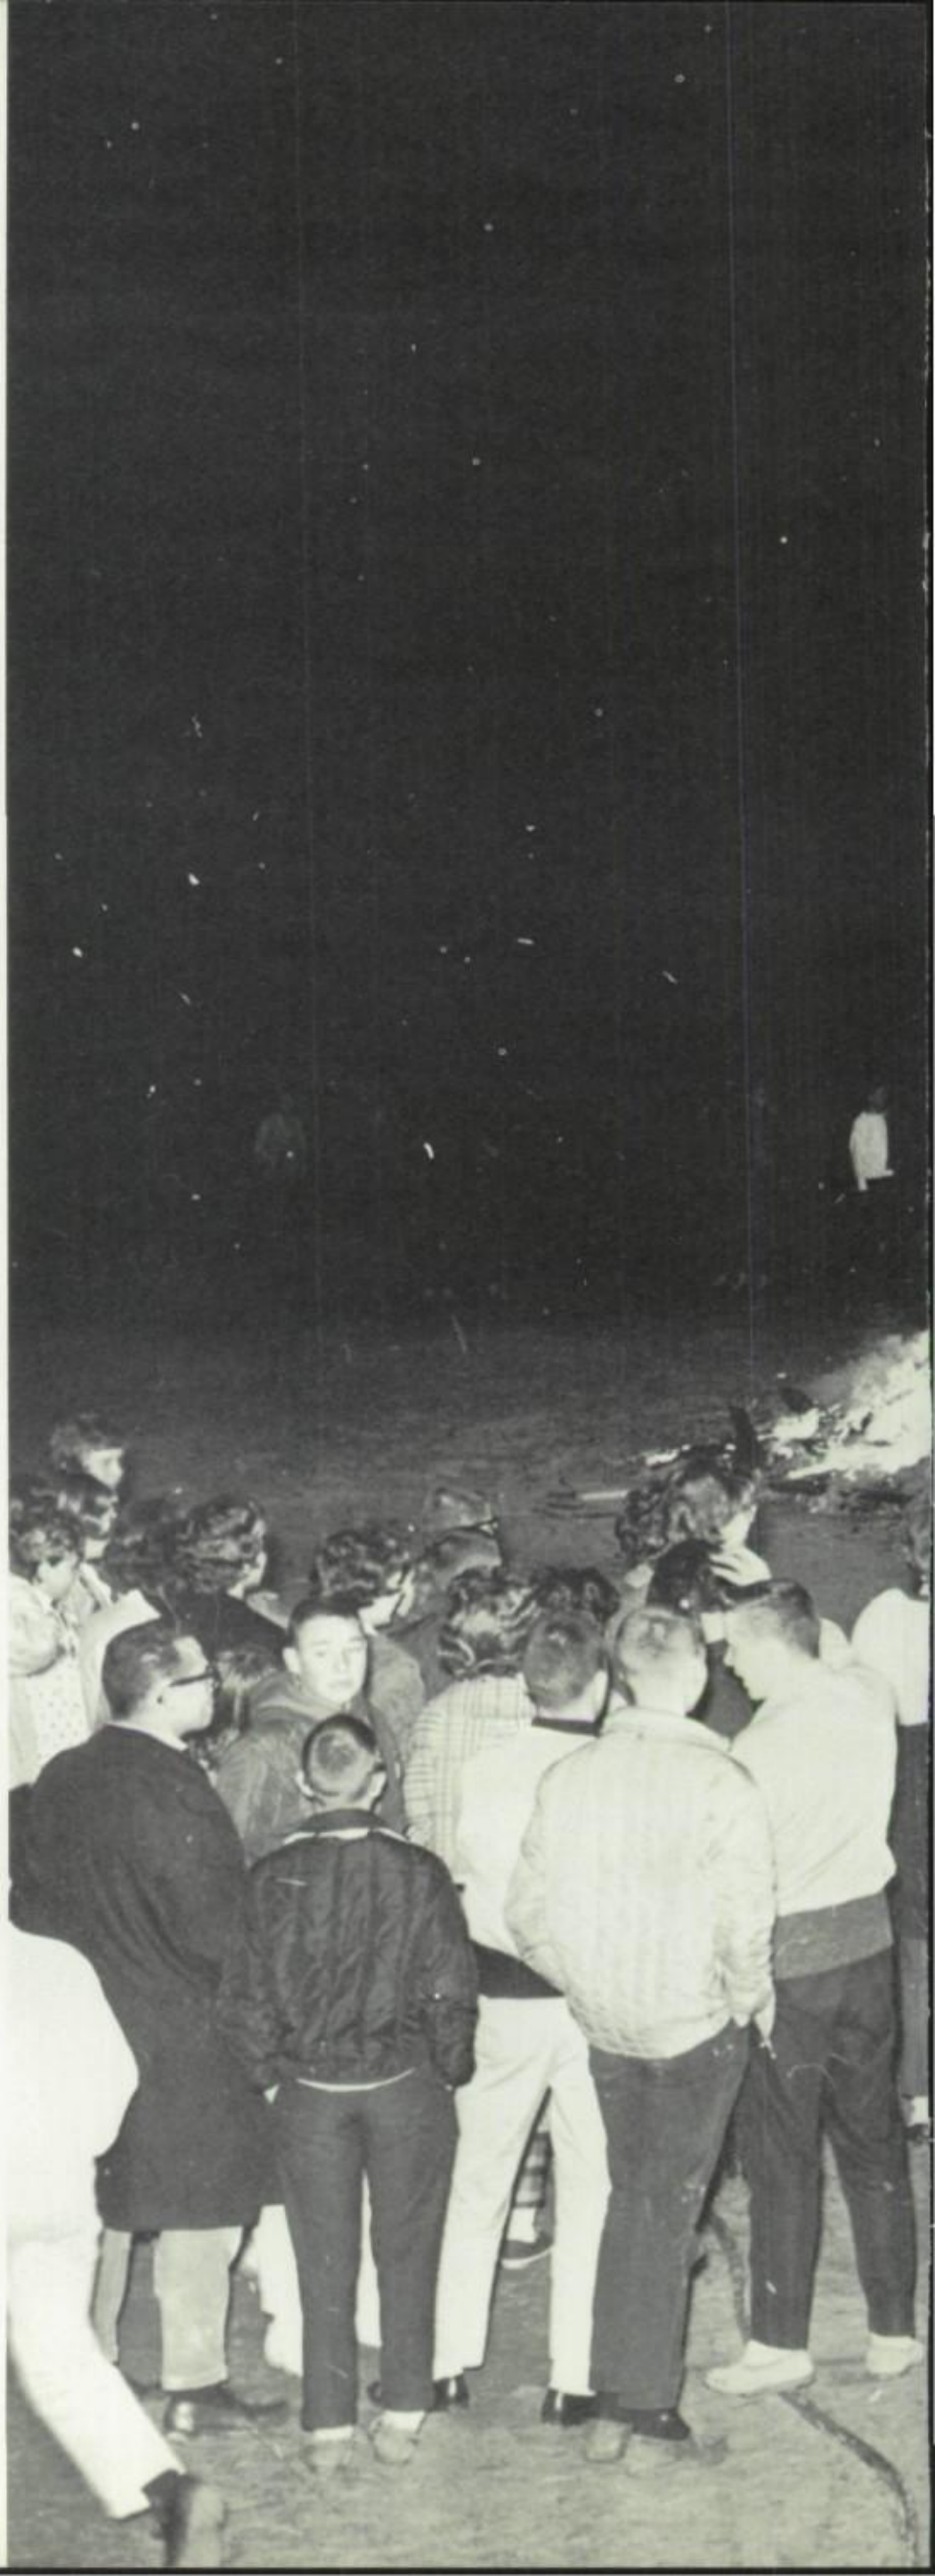

Besides having six girls go abroad this summer, Manistee High School was very fortunate to have two foreign exchange students through the Youth for Understanding Michigan Council of Churches Program. They were Helga Wohllebe from Hamburg, Germany and Anders Malmberg from Galde, Sweden.

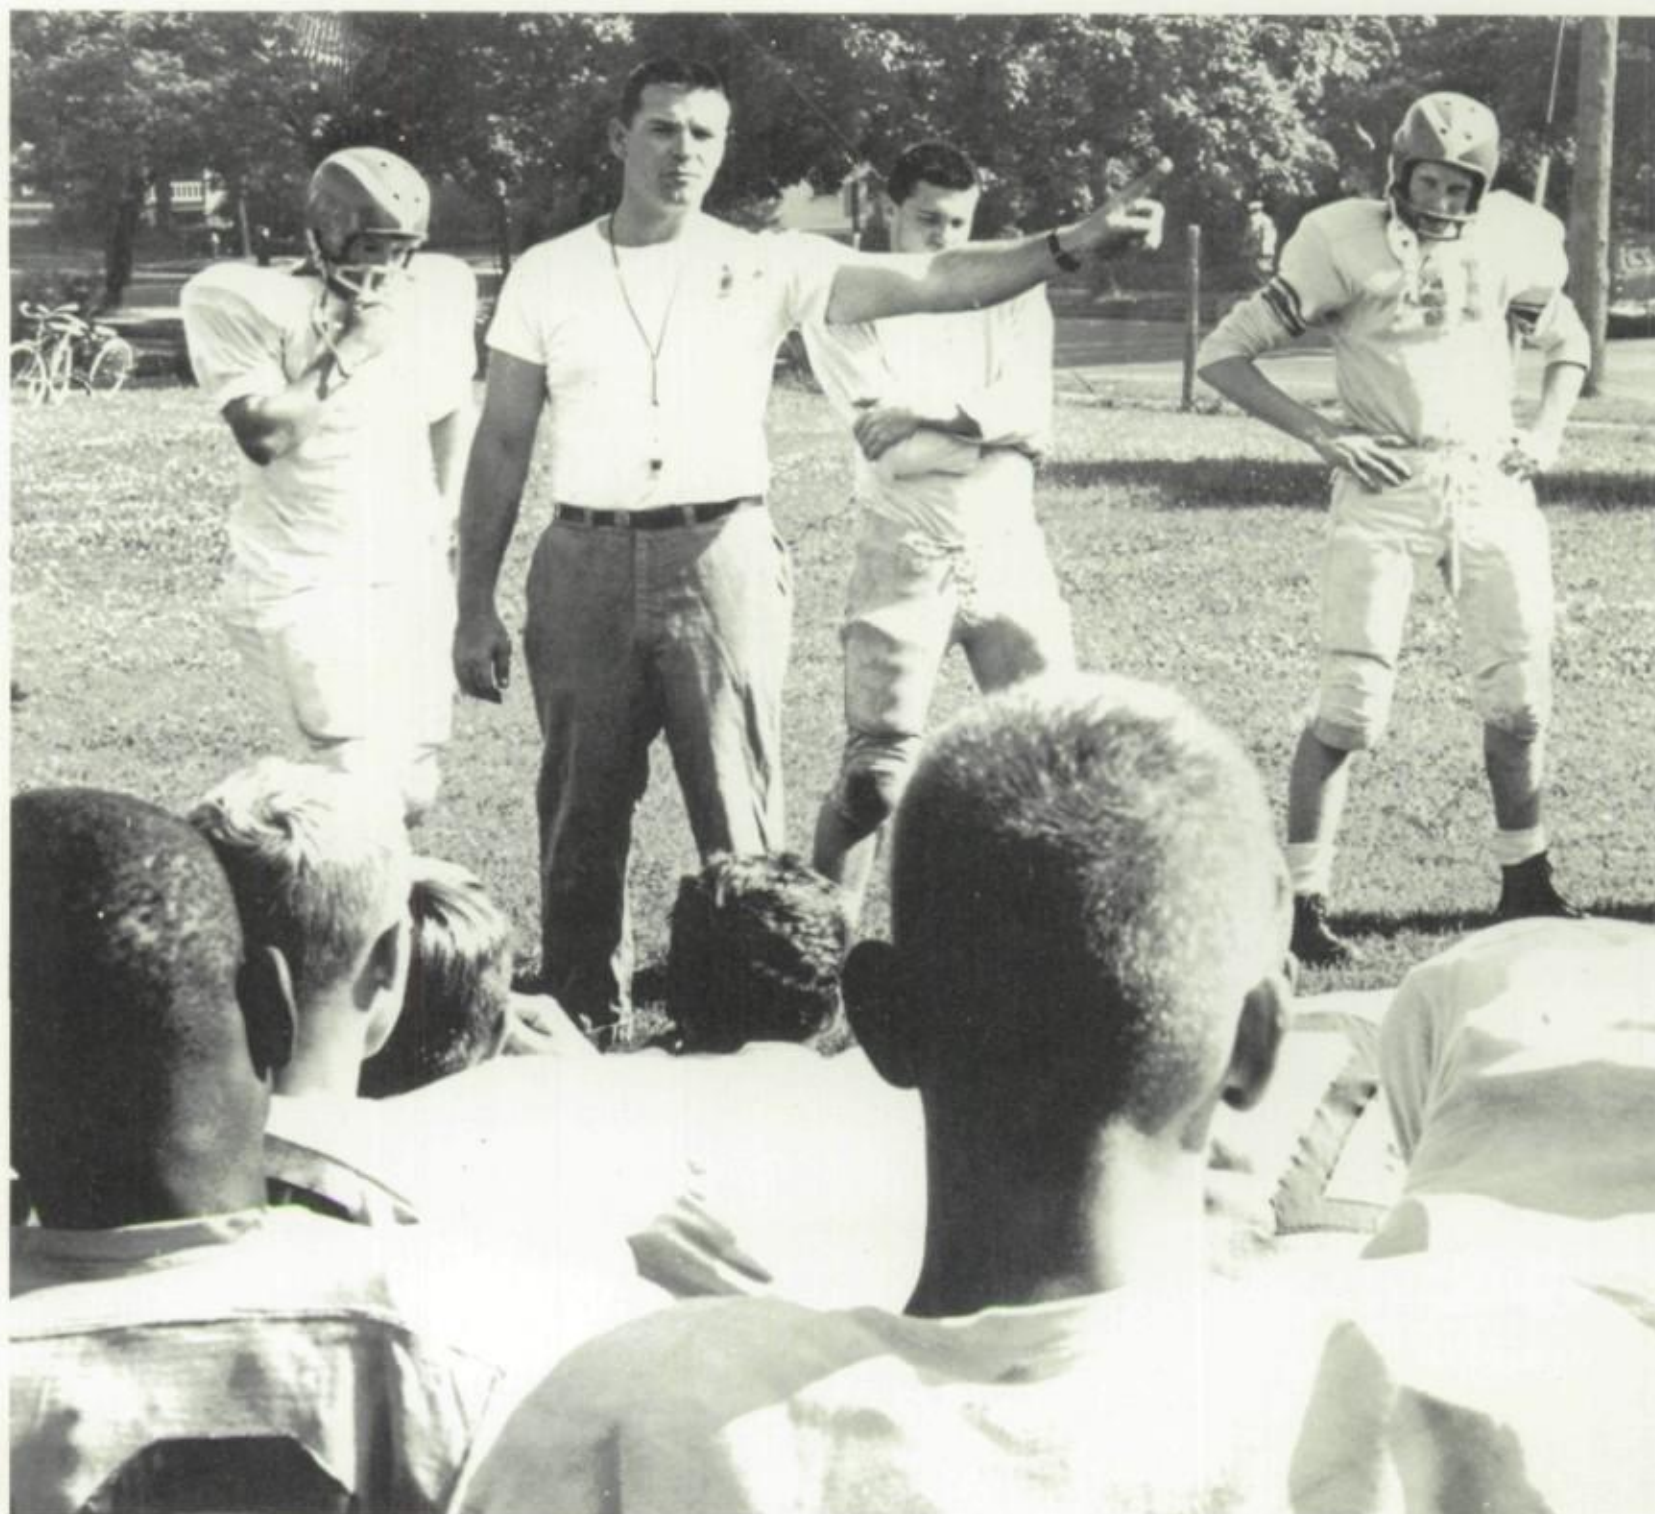

They both enjoyed their new ways of living in America very much. These two students played an important role in "that wonderful year of 1964" and will always be remembered by us.

We all had loads of fun watching our team members in action. So let's give our thanks to the teams that worked hard and played fair in that wonderful year of . . .

Nov. 1	Traverse City St. Francis	39	M.H.S. 20

Sept. 13 saw the Manistee Chippewa swing into action for the first football game of the season. The Chips traveled to Muskegon Orchard View and due to a weight and manpower edge, dropped the opener 33-12. Despite having lost eight players due to suspension and other reasons, Manistee came back to defeat Scottville 18-13 and end a nine game losing streak.

With the taste of victory still fresh, Manistee invaded Big Rapids but could not win. An inspired Cardinal team came out on the long end of a 16-12 score. However, on October 4 the Chips rose to the occasion to present the large Homecoming crowd with a disputed 20-19 victory. After enjoying a first period lead of 13-0, the Chippewa defense faltered. The 31-19 score put the final touch on the Oriole's Homecoming.

CHIPS IMPROVE OVER 1962 SEASON

Class A Cadillac extended their winning streak to 15 with an easy 49-19 coup on October 18 before a partisan crowd at Chippewa Field. Ending a six game losing streak, Mount Pleasant pulled Manistee down in the North Central cellar, 32-13. The Chips finished with a 1-4 record. The final game of the season saw the Chips battle powerful Traverse City St. Francis as well as snow, winds, and cold at Chippewa Field. This was the final appearance for 11 seniors on the gridiron. The season record does not truly indicate the hard work and sacrifice of our Chips. They may have been outmanned, but never outfought. Hutson, Maurer, Doleys, Hokanson, O'Donnell, Garber, and Shimnoski were particularly outstanding in 1963.

Manistee High School is proud to have five members of our football team in the All-Conference first team. DESPITE MANY LOSSES

The Manistee High School Athletic Department has announced that Manistee has submitted its withdrawal from the North-Central Conference which will become effective after the '64-'65 school year. M.H.S. will then become a member of the Western Michigan Conference which includes Montague, Shelby, Hart, and Scottville. We will continue to play Cadillac, T.C. St. Francis and Ludington.

J.V.'S SHOW DETERMINATION AND SPIRIT

Though every team's accomplishments are usually recognized by victories, our J.V.'s look back on a season of experience gained. Among the many achievements of this young group, the greatest was experience. Sportsmanship, determination, sacrifice, and leadership

all are valuable by-products of any sport. These qualities will be valuable next season, as most of these boys will be on the varsity roster. John Dontz, Tom Paschka, Rick Madsen, Gary Gielczyk, and Mike Elliot were the spark plugs.

If it would be possible to forget about the 9th grade team's score and just remember the team's effort, their never ending supply of determination, and good sportsmanship, this would be an easy season to write about. It would have been easy for them to find excuses for their troubles, but instead they kept improving and gained

satisfaction in making their last foe work until the last second to win the game. Surely, they gained a lot of new experiences which will be helpful for our boys in the future teams. So let's wish them much more luck for the coming season.

FANS ENJOY LIVELY GAMES

A few highlights of the '63-64 season included back-to-back high-fouling games. On Dec. 6, at the Armory, Ludington and the Chips ran up a total of 69 fouls before the final whistle. One week after saw the Panthers from Alma battle it out with the result being 67 fouls. This game saw nine players benched on fouls. On Dec. 20, Coach Ken Rutherford was presented with a Christmas present by the entire team--his 100th victory as coach of the Manistee Chippewas. Behind the 38 points of Senior forward Dave Bradshaw, the Chippewa Express rolled by the Big Rapids Cardinals the following Friday night. On the 24th of Jan. the invading Vikings had to fight right up to the end before pulling away and saving their unblemished record.

BASKETBALL IN FULL SWING

Looking back on last year's 11-5 record, this year's fails to indicate the color, sweat, determination, and just plain excitement that were characteristic of the Chippewa basketball games. In many instances, the hours of practice paid handsome dividends. The teamwork, so essential to a winning team, sparkled and shone on countless plays and the rebounding often kept our Chips right in there fighting. Dave Bradshaw was the most consistent scorer and rebounder for the varsity while Chuck Hutson proved to be a real "team man" with his many assets, fine defensive play, and hustle. Speedy guard, Dan Doleys, showed a steady and dependable style all season and Tom Sherman, Gary Clifton, and Mike DellaPi gained experience that should make them the main-stays of next year's varsity basketball team.

Feb. 7, the Oilers went home, tired but happy, with a free throw providing the winning margin for Mt. Pleasant at the Armory. This season's record was the poorest compiled by one of Coach Rutherford's teams but, "It's not the score that counts but the way you play the game," and our boys can be justly proud of their efforts for MHS.

The four Senior boys on the Senior Varsity team this year were Chuck Hutson, Dan Doleys, Dave Bradshaw, and Bob Dushinske.

J-V'S FINISH THE SEASON WITH SIGNS OF PROMISE

The Junior Varsity, under the watchful eye of Coach Foust, struggled through a disappointing season. What this record can't show is the speed with which the little Chips improved toward the end of the year. It seemed that they suddenly found the winning formula and liked the taste. No one can explain why the sudden jell into a winning ball club, but one thing is sure; if they continue to show these flashes of skill and desire, the '65 season may be a rough place for our conference foes! Good luck boys.

Improving with age and experience, the freshman cheerleaders provided the pep and encouragement when it was needed. They are Cheryl Maurer, Doreen

Byre, Cathy Galloway, Terri Hansen, and Stephanie Knizacky.

SKIERS GAIN STATE RECOGNITION

This year the Manistee girls' ski team was well represented on the state team. Marilyn Kelley received first team honors, Pati Knechtges earned second team and Mary Bultema was honorable mention. Only Al Smith (second team) achieved state honors from the boys' ski team. Coach Ted Oatley also sponsored the Ski Club which is comprised of many students who enjoy this exciting sport. The outing to Boyne Mountain was a highlight of the club's activities. Coach Oatley served as chairman to organize the Lower Peninsula Regional Ski Championships held at the Big

M on February 15. Pati Knechtges took home first in the girls' giant slalom which saw the M.H.S. girls finish third and the boys seventh out of fifteen competing schools. Skiing is fast becoming one of the dominant winter sports. With the excellent facilities available and the cooperation of the weather, the members of the ski teams and Ski Club just couldn't wait for the weekends. For sheer fun and excitement in the outdoors, skiing is hard to beat and more students are addicted to the sport each year.

THE NUCLEUS OF OUR TEAMS

MHS Coaches this year were: 1st ROW, Ted Oatley, Gerry Pieczynski, Al Arnold, and Ken Rutherford. 2nd

ROW; John Bedingham, Dick Lindeman, Ken Foust, and Robert Buzzell.

PINSPILLERS STRIKE AGAIN

Special credit is due all of our coaches here at MHS. After all, we couldn't have our teams without the willing and hard-working coaches and Manistee High School would be awful boring if we didn't have competitive sports to yell, work, and cheer for. So let's all remember that the coaches are the backbone of our teams and all work their very hardest to win and promote good sportsmanship for MHS.

The high school bowling club is made up of approximately thirty members who bowl every Saturday in the high school league at the Club Bowlmor. Among the

other schools in the league are Manistee Catholic Central, Brethren, and Onkama. The president this year is Bob "Red" Duschinske and the secretary-treasurer is Dick Jeruzal. The top five bowlers on the club compose the high school team which competes against bowling teams from Cadillac and Ludington. Bowling is one sport that you can continue after graduating from high school. It is very inexpensive and easy to learn. There are many leagues at the local bowling alley and all offer intense competition and good clean sport.

Officers are 1st ROW: Henry Rosmarek, Pres.; Terry Miller, Vice Pres. 2nd ROW: Ted Sielski, Treas.; John Sonefeld, Assist. Range Off. Missing: Jeri Fanning, Sec.

Every Thursday night saw the Rifle Club practicing diligently at the Armory rifle range. Under the expert guidance of Mr. Palarski and Mr. Jilbert, the young marksmen of M.H.S. became experts in their own right. Scores in the high 40's and an occasional 50 were not uncommon. This is a sport where the girls can compete with the guys on even terms and you can be sure they'll put up a good fight on the rifle range any day! In the past few years, the Rifle Club has sponsored a hunter's safety program to teach the fundamentals of rifle handling and hunting safety.

Above, senior Tom Guzikowski works out to help improve his endurance during an afternoon practice session.

TRACKMEN SHOW IMPROVEMENT

Rounding out the slate of sports in the spring is track. Track consists of many events; broad jump, hurdles, 440, 880, sprints, shot-put-all require plenty of stamina and muscle. There was an exceptionally large number that showed up for Coach Bob Buzzell's second season as instructor but unfortunately, many consider track as a fill-in to keep them in shape for football and basketball. Because of lack of room and facilities, the practice

sessions will be held outside the Armory as they were last spring. Track is a sport where that last, final effort and a strong will to compete often make the difference between a winner and a loser. The cinder-men of Coach Buzzell must be in top physical and mental condition if they hope to stay in the running. With a little encouragement and determination, this year's track team was one of the best.

TENNISMEN DISPLAY DETERMINATION

1st ROW, left to right: Jon Lipert, Wayne Russell, Jim Hanson, Mike O'Donnell, Chuck Hutson, and Coach

Ted Oatley. 2nd ROW: Dave Yankee, Don Wahr, Bob Dushinske, Marc Fenton, John Anderson, and Paul Brennan.

 April 22--Benzie Central (A)
 April 27--Ludington
 April 28--Big Rapids
 May 1--T. C. Central (A)

May 12--Ludington (A)
 May 14--Cadillac (A)
 May 18--Benzie Central
 May 19--Conference meet Ludington (A)
 May 20--T. C. Central
 May 22--23 Regionals at Mt. Pleasant

With the graduation of only one member from last year's team which recorded a fine season, this year's tennis team promises to be one of the best in recent years. Ted Oatley will be coaching the team again this year and is expecting a fine season.

The team participates in matches all spring long, only to warm up for the big matches of the season. The Conference Championship and the Regionals Championship.

Other members of the squad not pictured above were Gregg King, John Grabowski, Ron Thomas, Bill Tageson, Wayne Skory, and Bryan Block.

Mike Maurer, the only senior on the golf team this year, takes a practice swing.

OUR BOYS PROVE THEY'RE REAL SWINGERS

Left to right: Mr. Brady, Paul Gunderson, Dave Courtney, Bill Berglund, Mike Maurer, and Scott MacGregor.

After losing only one man to graduation, the golf team promises to be one of the best in recent years for M.H.S. After a rather disappointing season last year, Coach Dave Brady's crew intends to put Manistee on the golfing map. There are four returning lettermen this year; Mike Maurer, Scott MacGregor, Dave Courtney, and Paul Gunderson, with Mike Maurer being the only senior. Playing on the fine Country Club course, these boys spend long hours practicing in the harsh, windy March weather to keep in shape for the matches between near-by schools.

Golf is one of the least recognized sports in school, but it requires skill and patience which make the rewards that much more satisfying.

EARNED BY GOOD SPORTSMANSHIP

1st ROW: D. Burlingame, T. Guzikowski, J. Jacobs, D. Doleys, W. Russell, T. Saugie, G. Clifton, 2nd ROW: L. Tabaczka, D. Yankee, M. O'Donnell, J. Hanson, C. Hutson, A. Smith, J. Zawacki, 3rd ROW: W. Nelson, P. Espivik, J. Lippert, D. Charney, D. Bradshaw, A. Garber, T. Voigts, T. Pashka. 4th ROW: J. Hokanson, J. Whidden.

The purpose of the Letterman's Club is to promote sportsmanship among the athletes and throughout the school. All boys who have received a letter in a varsity sport are eligible for membership in the club. New members are initiated in the fall and again in the spring.

This year the Lettermen participated in the March of Dimes bread sale, sponsored a dance, and presented many a humorous performance by their band.

Below, Dan Doleys, President, and Mike Maurer, Sec.-Treas. Marshall Bowling, Vice Pres., Missing.

LEADING THE CHEERS FOR VICTORY

Varsity cheerleaders for the 1963-64 season were Pat Jacobs, Chris Raatz, Faye Mucha, and Mary Beth Bultema.

Junior varsity cheerleaders were Lois Rohrstaff, Mary Knaffle, Linda Patulski, and Chris Gunderson.

The cheerleaders under the direction of Miss Ruth Beddie are an important group in Manistee High School. They are a great asset to the school's morale and are always backing the teams with supporting cheers whether they are winning or losing.

Above, Robyn Kruse, Vice Pres.; and Colleen Haynes, President. Missing Jerre Johnson, Secretary; and Paula Krajkiewicz, Treasurer.

The purpose of the Pep Club is to aid the cheerleaders and to support football and basketball players at games.

There are 60 members in the club this year. Besides drawing up a new constitution, they donated a large sum of money to the March of Dimes and also contributed to the Adoption of an Orphan Fund. One of their projects this year was to make clappers and decorate them to help make noise to cheer and support our teams.

The artistic talents of Karen Pefley and Jane Zientek were greatly appreciated again this year as seen in the splendid posters throughout the school.

THE HEART OF CHEERING FANS

The Pep Club is one of the largest in Manistee High School.

PARTICIPATE IN SWIMMING AT HOTEL

President Barb waits for the girls to come to order before beginning an after school meeting.

Officers were left to right: J. Wishka, secretary; R. Fifarek, Sports Board; J. Zientek, Vice Pres.; B. Rutowski, President; and Sue Houser, Sports Board.

The Girls' Athletic Association, the largest club at MHS gives girls the chance to participate in team sports and earn numerals and letters. Promoting interest in sports and sportsmanship and helping girls maintain good physical condition are the purposes of the club.

Among the projects of the club this year was the sponsoring of a Playday. The Playday is athletic competition between the girls' gym classes of the three public elementary schools. A trophy is awarded to the school with the most points. Other projects were the donations to the orphan fund, the Foreign Exchange program and swimming at the Chippewa Hotel pool.

Miss Beddie, MHS gym instructor was the club's advisor.

OF "THAT WONDERFUL YEAR" . . . 1964

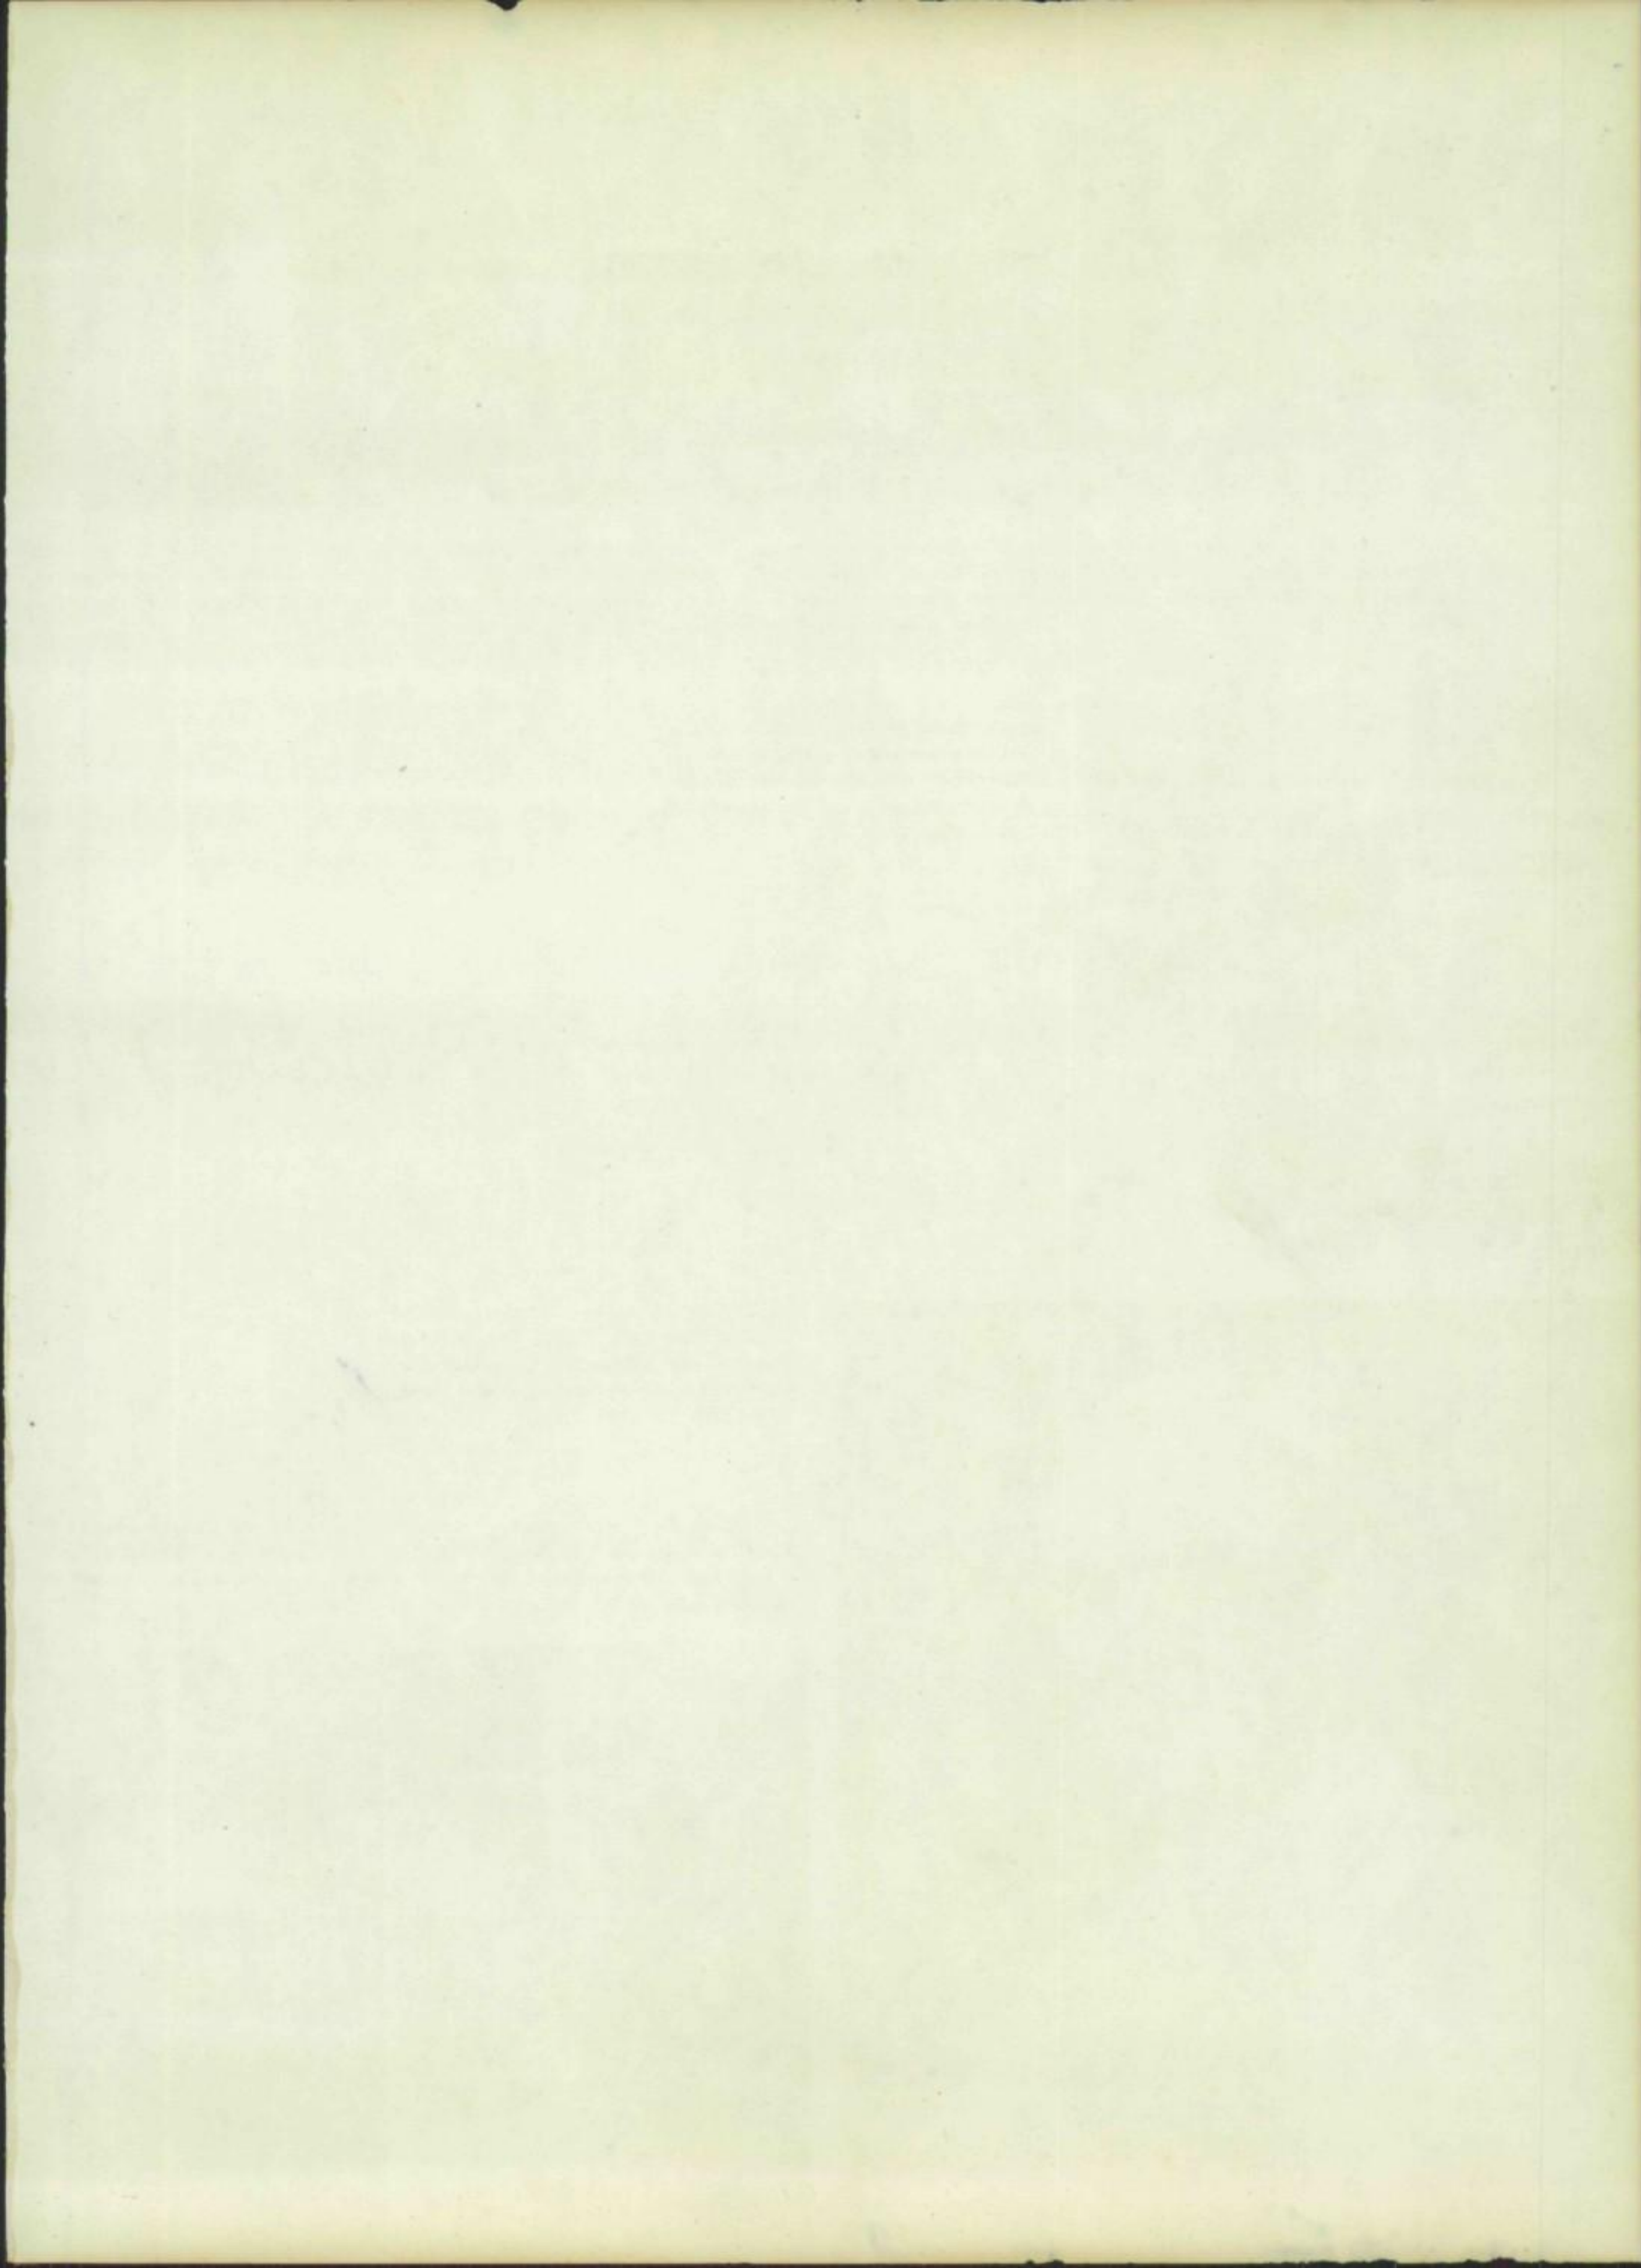

. . . and the 1964 Manichigan staff meets the final deadline and hands over the tools of the trade to next year's staff. The preceding summer we spent learning about yearbook layout and copywriting in summer institutes. In school we spent many days taking pictures, recording names, counting money, drawing layouts, and writing for our book.

We hope that you, the student body, will enjoy reminiscing about this year by reading and looking through the pages of this book and by passing it for autographs from those never-to-be-forgotten high school friends. The Manichigan staff proudly dedicates this book to the whole student body in hopes that you, the reader, will remember, "that Wonderful Year . . . 1964.
